OUR MATERIALS

At ProSource Roofing & Renovation, we are committed to delivering exceptional quality and durability with every project. Our top of the line roofing materials ensure that your home or business remains protected, efficient, and visually appealing. Here's a closer look at the superior materials we use:

Standing Seam Metal:

Our top choice for roofing material, a premium option renowned for its durability, longevity, and sleek appearance. Available in 24-gauge & .032 aluminum.

Super Pro 5 Rib Panel:

For a more traditional metal roofing solution, we recommend the Super Pro 5 Rib Panel. This option is available in 26 and 29-gauge in a variety of colors.

Standard Shingles:

Our Standard Shingles provide a classic look with a wide range of colors to match your architectural style. These shingles are a popular choice for their affordability and reliable performance, ensuring your home remains protected and stylish.

Economy Shingles:

For a cost-effective solution, our Economy Shingles offer three versatile color options. They deliver essential protection while providing a more budget-friendly alternative without compromising on quality.
